The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent world association of Academics and Researchers. Its mission is to act as a forum where Academics and Researchers from all over the world can meet in Athens, in order to exchange ideas on their research, and to discuss future developments in their disciplines.

The organizing and hosting of [International Conferences and Symposiums](#), the carrying out of Research, and the production of Publications are the basic activities of ATINER. Since 1995, ATINER has organized more than 350 International Conferences and other events, and has published close to 150

[books](#)

. In 2012, the Association launched a series of conference paper publications (
