About 100 scholarships in total will be granted for successful candidates within both calls.

In the search for scholarship candidates, SI looks to attract young talented professionals equipped with creativity, curiosity and motivation, who also show expertise and excellence in their academic fields.

SI scholarship holders together build a strong network of global talents, willing to contribute and take an active role in the development of leadership for a sustainable future.

All scholarship holders enjoy the opportunities offered within the [SI Network for Future Global Leaders \(NFGL\)](#) and become invited to life-long fellowship in the [SI alumni network](#)
