

**XVIII International Symposium on Theoretical Electrical Engineering and
Symposium on Electromagnetic Evaluation of Materials SEEM'15
Kolobrzeg, Poland June 7th – 10th, 2015**

Organized by:

West Pomeranian University of Technology, Szczecin
Faculty of Electrical Engineering

Under auspices of:

Rector of West Pomeranian University of Technology, Szczecin
Association of Polish Electrical Engineers SEP

with support of

Szczecin Section of Polish Society for Nondestructive Testing and Technical Diagnostic
(PTBNiDT)

Szczecin Section of Polish Society for Theoretical and Applied Electrical Engineering (PTETiS)

Conference proceedings

Authors are invited to submit electronically previously unpublished papers relevant to the symposium topics. Papers will be reviewed upon one page short papers, to be included in the Symposium Proceedings. Authors of accepted short papers will be encouraged to submit a full version of the papers at the Symposium. The selected extended and enhanced papers will be published in a Special Issue of *CompeI* (The International Journal for Computation and Mathematics in Electrical and Electronic Engineering). This special Issue 35/4 of *COMPEL* in 2016

will have a title: "Special issue on advances in theoretical electrical engineering". Other extended papers will be considered for publication in the Archives of Electrical Engineering (AEE), the journal of the Polish Academy of Science.

Working Language

English is the official language of the Joint Symposium and will be used for all printed material, presentations and discussions.

Registration

The registration fee per participant, including presentation of 1 paper, lunches, dinner, coffee breaks, participation in related events and all proceedings will be not more than 340 Euro. The final decision about the fee will be announced at the end of December 2014, after getting information from sponsors.

Important Dates

December 2014 – February 2015 – short papers submission. Authors are invited to submit one page (A4) short papers.

Conference Venue

The Symposium will be held at the five stars hotel close to the center of Kolobrzeg, a few hundred meters from the coast of the Baltic Sea. Block of hotel rooms with special discount price will be reserved for the participants. Besides the conference facilities the hotel offers restaurants, bars, fitness center, swimming pool and garage parking.
